

## The Keys to Building Green Conference

March 9 and 10, 2012  
Chesapeake College  
Wye Mills, Maryland

### Training Tracks & Presenters

You are invited to join Habitat for Humanity Maryland affiliate conference on green building. The Keys to Building Green Conference will be an opportunity to learn the steps necessary to develop energy efficient practices at your affiliate. Two tracks will be offered to meet your affiliates green building needs:

#### **Track 1: Sustainable Building Process**

Presented by Eric Bell  
HFHI Sustainable Building Specialist

#### **Track 2: The Weatherization Process**

Presented by Kevin Gobble  
HFHI Sustainable Building and Design Consultant
